RE: Notification for NESHAP RICE

To whom it may concern,

While I believe that I submitted the enclosed Initial Notification to both the Iowa DNR and the US EPA, I am resending a copy of this form to you. I did not utilize proof of mailing when these notices were sent. I want to be absolutely certain that each of the proper agencies has received this form.

Please accept my apologies for any inconvenience this may cause.

Sincerely,

A handwritten signature in black ink that reads "Pat Stief". The signature is written in a cursive, slightly slanted style.
